**Product Family: Open Grill Products**

## Open Grill Stainless Steel

The Pujadas Open Grill, designed and manufactured from high-quality stainless steel, is perfect for indoor, open, or outdoor kitchens, allowing you to bring dynamic flavors to any setting. The grill's V-shaped grate channels fat and juices away from the heat source for better flavor retention and even cooking, while its sleek black color adds sophistication to your kitchen. For enhanced convenience and control, the grill includes a handwheel for easy height adjustment along with two shelves for ample storage space. The tilting grill feature offers three positions - charcoal lighting, flat for cookware, and fat collecting - enabling you to adapt the grill to your specific cooking needs.
