Product Family: Manual Food Processors

Manual food processor cast steel in black

This manual food processor by Pujadas can almost do it all. It features interchangeable blade sets that can cut, core, wedge and juice a wide range of food items with ease. The cast steel offers incredible strength, so it's sure to last for years, and the sleek design promises smooth operation. The long handle features an ergonomic grip for a comfortable user experience and provides enough leverage to cut through a variety of food items quickly and efficiently. The wide base maintains stability and rubber feet prevent unwanted movement.
