Polinorm steam table pan lid 1/9 size gastronorm polyethylene in red

With an exclusive, patented design, this Polinorm lid by Pujadas offers incomparable performance. This versatile lid is compatible with stainless steel, polycarbonate, BPA-free copolymer and polypropylene steam table pans. The polyethylene construction resists wear, while the bright red color catches the eye and can be incorporated into a color-coded system. The simple design is easy to use, ensures a secure grip and promises quick cleaning for the ultimate convenience. Whether trying to protect food items, prevent contamination or simplify storage, this lid will not disappoint.

Features & Benefits
